PROSPECTUS

FOR APPLICANTS SEEKING TO PARTICIPATE IN INTERNATIONAL ART EXHIBITS

Artists know the hard work entailed in getting their art pieces accepted and exhibited in galleries, let alone museums. We offer the opportunity to compete for space, in an affordable way, to get your name and artwork seen on a regular basis in the European market and build your resume as an international artist. We do this not in a ‘virtual’ way, but in a brick and mortar, real way in galleries, museums, and prominent historic sites visited by thousands of international collectors.

This Prospectus sets forth the terms and conditions under which International Initiatives Invitational Art Worldwide (“IN3”) grants persons conditional access to certain secured pages of IN3’s web site at no cost (herein referred to as “Site Members”) and allows Site Members to submit applications to participate in international art exhibits offered by IN3 (herein referred to as “Applicants” prior to receiving their invitation to participate from IN3 or “Exhibitors” after receiving their invitation to participate from IN3).

1. **Only Site Members are Eligible to Apply.** Applications to participate in exhibits are hosted in an area of the IN3 web site reserved for Site Members, who are selected by IN3 in its sole discretion as participation in the exhibits offered by IN3 is based on applicants obtaining an invitation from IN3 to participate.⁽¹⁾
